Rayen SMPERIAL QUARTO. ENGLISH AND CHINESE WITH THE PUNTI AND MANDABIN An Anglo-Chinese Dictionary, published at the Daily Press Office, Hongkong. For comprehensiveness and practical service Willie

this Work stands unrivalled. All the new "It is I," he said, "who pushed him and of the surrounding country, including Krung- jeets in machinery, photography, telegraphy, Andreklos and in science generally, which the rapid advance | Anna Bertha IVORY MINIATURES of superior excellence of foreign relations has imposed upon them, are Hilds Maria all rushed on him like a pack of hounds, and and high finish, painted by native artists under bere given in extense. Each and every word is Lee Yih for students of a most instructive nature. Both the Court and Punti pidnunciations are given,

the accents being carefully marked on the best principle hithorto attained. The typography Antwerp displays the success of an attempt to make the Alex, Newton Chinese and English type correspond in the size | Batavia of body, thereby effecting a vest economy of Carmelita & Ida Mar. 11 space, achieving a clearness not previously hateaubriand Mar. 12 Dodd attained, and dispensing with those vast margins. Chinse and vacant spaces which have heretofore characters. terized Chinese publications. To illustrate the vast scope of the work, the Dartmouth

following facts are submitted for consideration :- Dora Chalmers' Vocabulary contains about 16,000 Empress Chinese characters, and Medhurst's English Erroesson and Chinese Dictionary about 100,000, whilst Eden this work contains more than 50,000 English F. V. Litchfield Feb. 2 Spalding words, and upwards of 600,000 Chinese charac- Kolga ters. Again, despite all the grammars and Lucile other elementary works as yet published, the Martha student of this difficult language absolutely requires examples to display the various appli-oations and equivalents of different words which Perle have one general meaning. Of these examples Polham

this work contains more than five times as Sunrise many as any other Dictionary hitherto pub- iger For practical purposes the arrangement of the work is so complete, that a reference to its pages enables a person who understands English to communicate effectively with natives who Advance understand nothing but Chinese. In this respect | Aline the work will be found indispensable to all Bus Pan Europeans residing in China, and to the natives C. Wattana themselves it explains subjects fully with which C. Kamrey very few indeed of them are perfectly acquainted. Confucius To parties resident in England and interested Diamond City Feb. 21 Spencer

in China it cannot but be invaluable occasion-It comprises upwards of two thousand large Foochow quarto pages. A Large REDUCTION in PRICE is made to Purchasers of SIX or more Copies.
